

BOOK LAUNCH – MELBOURNE

Alight on all things precious by Sarah Rice

Sunday 22 February, 2.00 – 3.30 pm

Come along to celebrate the launch of Sarah Rice's latest collection of poetry at the 'Library at the Dock', Docklands in Melbourne.

Alight on all things precious (Liquid Amber Press) weaves together Sarah's ekphrastic poetry and luminous colour reproductions of both her own and others' artwork.

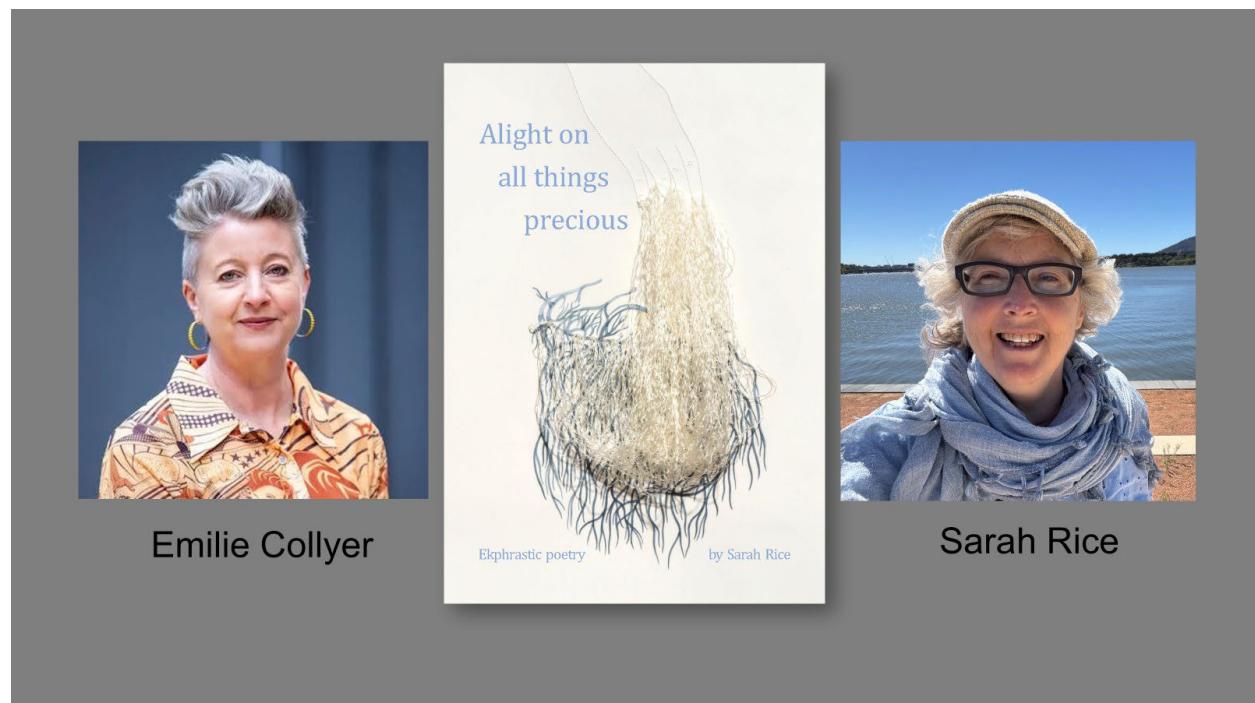

This beautiful book will be launched by Melbourne poet and playwright Emilie Collyer with readings by Sarah Rice who will also show many of the art works that have inspired her poetry and discuss her creative practice. The event will be hosted by poet and publisher Rose Lucas.

This is a grand opportunity to come 'dockside' and participate in a terrific Sunday afternoon event.

Tickets are free but you must book so we know we can fit everyone in (and give you a cuppa).
